# DISCOVERING ROMANIAN<sup>©</sup> BUSINESS ROMANIAN - LEVEL 1

## The Course

The course is addressed to foreign persons who have recently arrived in Romania and who, because of their job activities, need to learn Romanian and to understand the new society they are going to live in.

The graduates will be able to communicate much better with their Romanian partners, will adjust faster to the new society and will be able to handle different every day situations more easily.

The first level course, 'Discovering Romanian', helps foreigners to learn basic elements of Romanian and get used to the life style and cultural aspects of Romania.

The vocabulary covers every day topics, and contains all necessary grammar issues to refer to past activities, present experiences and future plans.

## Learning outcome

- Successful conversations about own activities from the past, present and the future.
- Successful approach of every day situations connected to living in Romania
- Understanding and being understood within simple topic conversations
