# EXPLORING ROMANIAN<sup>©</sup> BUSINESS ROMANIAN - LEVEL 2

## The Course

This course represents the best choice for people who already have basic knowledge of Romanian or have completed 'Discovering Romanian'.

The second module facilitates more detailed conversations, using extensive vocabulary.

Participants will be able to have more elaborate conversations and express their point of view with more arguments.

The course includes all grammar issues that the participants need in order to reach a superior level of Romanian. The topics covered in this course are: a comparison between the culture of Romania and that of the native country of the participants, mass media, business meetings and administration.

Those attending this module will be able to better communicate in the Romanian environment, thus gaining the confidence and respect of the Romanian partners.

## Learning outcomes

- Initiating, sustaining and ending a conversation in the past tense
- Handling unfamiliar linguistic situations, such as creating suppositions and expressing points of view
- Describing situations in a narrative manner and composing multi-paragraph phrases, using indirect speech.
