Reinvent Yourself for New Realities©

Online program

The context where we operate, both professionally and personally, has changed dramatically and almost overnight. On one hand, we must navigate between daily challenges and uncertainties, and on the other hand, we must still be innovative and make good, efficient decisions. In this volatile business environment, the only constant is our ability to reinvent ourselves. This interactive workshop is designed as a guide for those who want to define their own professional identity and lay the foundations for a personal innovation strategy, as a way to keep up with the changes around them.

Objectives

- Understand the importance of a stable professional identity in a constantly changing business environment
- Shape this professional identity or portable self
- Lay the foundations for a personal innovation strategy within the organisational context

Agenda

- The VUCA world
- Shift happens – the nature of change and why it impacts individuals differently
- 5 ways to reduce resistance to change

- Defining the portable self
- #knowyourself techniques
- Individual action plan
